

CLIMATES™

Finishes that Withstand the Elements to Deliver Long-lasting Style and Use.

Harsh sunrays, intense cold, constant salt spray...whatever your climate, Kichler offers lighting that stands up to the elements. Kichler CLIMATES™ Outdoor Lighting uses a composite material with UV protectant to create an anti-fading finish that's resistant to acidic and alkali elements, corrosion and rust. The high-tech material also allows for detailed designs, capturing distinctive styles that reflect and enhances a home's character.
