

# CLIMATES™ Outdoor Lighting

## Finishes That Withstand the Elements.

Harsh sunrays, intense cold, constant salt spray...whatever your climate, Kichler offers lighting that stands up to the elements. **Kichler CLIMATES™ Outdoor Lighting** uses a composite material with UV protectant to create an anti-fading finish that's resistant to: acidic and alkali elements, corrosion, and rust. The high-tech material also allows for detailed designs, capturing distinctive styles that reflect a home's character.

### Peace-of-Mind

All CLIMATES™ Lighting comes with a Kichler 6-YEAR FINISH WARRANTY and are RoHS compliant: assuring they don't contain mercury, lead and other restricted materials that can impact the environment.
