“ This is my 2nd Kichler chandelier and it does not disappoint. I was looking for a complimentary - yet different look - for my adjoining two rooms. Without missing a beat, the antique bronze color and finish was identical on both fixtures, even though they were purchased over a year apart. Assembly was simple, the instructions were clear and the simple packaging made it easy to know what was supposed to go where. I actually found it more difficult to remove the exiting light fixture than to hang this new one.

The look is exactly what we wanted and we are thrilled with the quality of this product - it will last! ”
