“ The quality of the Kichler Aubrey 5 Light Chandelier in Olde Bronze was obvious as soon as I opened the box. The construction is solid and seamless, with rich details like frosted glass globes. Assembly is simple, and I am thrilled with the result—a versatile, classic design. The look is timeless; I love the way the chandelier illuminates the office of my 1920s-era bungalow, but it would fit in just as well in room of any style home. The Olde Bronze color—an antique brushed bronze—is a neutral classic. I appreciate that the five lightbulbs are standard A19 lightbulbs, which will make replacement simple. Wiring is also standard and easy, with plenty of leeway as to height. Highly recommended! ”
