

# Horizon LED Downlights

Finish: White with Polycarbonate or Glass Diffuser

## Rethink Recessed.

Designed for new construction, Horizon LED downlights are all-in-one, energy efficient fixtures – making them an attractive alternative to recessed lighting. Their flat, recessed diffuser and sleek profile deliver even light distribution and a seamless look, while the snap-in, junction box installation provides greater placement flexibility. With fewer components to order and install, Horizon saves time and money at every location.

## Horizon at a glance:

- Ideal for new construction when specified with a 4" wide x 2-1/8" deep Junction box (J-box shape varies per item)
- Offers the sleek, hidden appeal of a recessed fixture with its slender profile
- Well-dispersed, ambient lighting
- Single fixture to order, track and install
- Simple installation
