

Wall Sconces

Versatile and Vertical

The items on your walls say a lot about you. Minimalistic paintings? A collage of family photos? One dynamic print? Why not bring out the beauty in them all with a statement-making sconce (or two). Unique in design and uncommon in personality, Kichler sconces offer the scale and proportion needed to bring attention to a room without overtaking it. Flanking a picture or doorway...adorning a home theatre's every wall... or simply guiding you down a hallway: each fixture is a work of art all on its own.
