## The Drama is in the Detail

But you don't need a lot of it. Yes, you can have your velvet, but make it a colorful accent like throw pillows. Feminine fringe, tufting, and piping go a long way, and they're so much lighter than those heavy traditional drapes that outweigh the sofa. Fabrics and floor coverings are way more flexible with Updated Traditional—the Oriental Rug isn't the thing anymore. Think animal hides and natural materials like jute.
